PROJECT INSIGHT:

In-House Tiling Department

Hurst offers exceptional tiling services as part of our comprehensive fit-out and refurbishment solutions. With precision and attention to detail, our skilled team transform walls and floors into stunning, durable surfaces that elevate the look and feel of any space.

Our portfolio of works demonstrates flawless installation from intricate mosaic patterns to sleek, large-format tiles adding both style and resilience to your interiors. We offer a wealth of material choices, including natural stone, luxurious hardwearing marble and granite, as well as stunning stone, slate, and terrazzo options.

By sourcing directly from tiling manufacturers worldwide, we deliver the most cost-effective solutions tailored to our clients' specific needs and budget requirements.
